THANK YOU TO OUR PREFERRED PARTNERS

We are so grateful for our amazing community partners who have always supported the Blood Center and especially during these last couple of weeks. We did not want to acknowledge only one because this was a community effort. We could not have continued to save lives without the help of these local businesses who made sure to step up and host blood drives at their locations. We sincerely thank you and we look forward to continuing to save many more lives together.

DONATING BLOOD DURING COVID-19

**Hought
To Ponder**

**“You can still go out and
give blood. Social distancing
does not have to mean social
disengagement.”**
